

Delt Sig Spartan
“RENOVATION 2018”
OFFICIAL ANNOUNCEMENT / NO 1st FLOOR ACCESS

Fellow Delt Sig Spartan Alumni,

The Alumni Corporation Board is proud to officially announce the most ambitious Chapter House renovation project ever undertaken in the 95-year history of the Alpha Pi Chapter at Michigan State. After several planning/permit delays, and after battling through a lot of East Lansing governmental red tape, our contractors were finally able to begin work in early July. Our goals for “RENOVATION 2018” are to invest \$450,000+ into a complete revitalization the 1st Floor, to make significant upgrades to 2nd/3rd floor bedrooms, increase our allowable rental occupancy and generally revive a Chapter House in dire need of a facelift.

We are happy to report that the project is coming along in the timeline forecasted, and that we should gain access to the 1st floor in early October when renovations are complete. Unfortunately, the East Lansing Fire Marshall has prohibited Undergraduate or Alumni Brothers from accessing the 1st floor while work is ongoing. To ensure that mandate is strictly enforced, the front door and double-doors to the foyer are locked up. This certainly presents an inconvenience, but is a policy that we must respect in our efforts to see the work completed on time.

This means that 1st floor access will be restricted for the MSU vs. Utah State (*August 31st*) & MSU vs. Central Michigan (*September 29th*) home football games. However – we expect full access in time for our **95th Anniversary Homecoming Weekend on October 5th & 6th, 2018.** In addition to a Friday golf outing and 95th Anniversary Party on the roof of El Azteco, the ACB will be hosting a post-game Alumni & Family Homecoming Reception at the Chapter House to show off the improvements and give renovation tours throughout the afternoon.

In the coming weeks, we will be sending photo updates of the work completed so far, to get an idea of true scope and magnitude of this monumental project. In the meantime, if you happen to be up in East Lansing tailgating on campus for the Utah State, CMU or other football games this season – please let us know! The ACB would love to meet and catch up with a beer to celebrate our Delt Sig Spartan Brotherhood together! Contact ACB Director of Alumni Relations Cameron O’Neill to let us know where you plan to be on campus, oneilcy@gmail.com, (517) 231-1012

Until then, **GO STATE & HUPF!**

Y.I.T.B.O.S.,
